Jason,

Here is a pdf of the map we produced. See if Ann will take it electronically. If so, here is the one we did in April for the NOI. If not, let me know and I'll plot it and bring it Thursday.

Thanks,

Jamie

I didn't get anne's email. You mentioned it, and we provided a hard copy with the original documentation. I will try to get another printed this week and get it to you.

Thanks,  
Jamie

Hey Jamie I think I forwarded that email from Ann Morbit on that map

she said she didnt have. Have you came up with anything yet. The last thing I need to do for her is to write a letter acknowledging the fact that a portion of Gum Branch thats in the city is a listed stream..This should wrap up our NOI.MS4 permit
